Since the 1970's, Alexis Smith has been known for innovative collages in unique or exotic frames, which pair found objects with backgrounds such as maps, vintage magazine covers, and amateur paintings. Smith combines fragments from the mass media like magazine covers or dust jackets of the 1940s with a wide range of kitsch and found objects.

The Path is a psychological horror art game developed by Tale of Tales originally released for the Microsoft Windows operating system on March 18, 2009 in English and Dutch, and later ported to Mac OS X by TransGaming Technologies.. It is inspired by several versions of the fairy tale Little Red Riding Hood, and by folklore tropes and conventions in general, but set in contemporary times.

A criminal record can create difficult downstream consequences, whether the record is for having been arrested or convicted (or both). For example, employers and landlords commonly ask job applicants and rental applicants whether they have ever been convicted of (or perhaps even arrested for) a criminal offense. Employers might not hire—and landlords might not rent to—people who answer ...

Likely, you'll be surprised by what you discover through inner child work. Instead of simply looking at a symptom of your pain, you'll go right to the core and reveal when a fear, phobia or certain life pattern first began.. We've previously written about reconnecting with your inner child in the past, and how childhood trauma impacts you on a physical, emotional, mental and even sexual ...
