When I posted the first Bacon Cooking Test (October 2004), I knew that I would have to continue to test different ways to cook bacon. I was so sure that a second article would follow that I named labeled that first article as "Part I". Over half a year later, I've finally gotten around to writing up my latest experiments with cooking bacon.

Bacon's Rebellion was an armed rebellion in 1676 by Virginia settlers led by Nathaniel Bacon against the rule of Governor William Berkeley. The colony's dismissive policy as it related to the political challenges of its western frontier, along with other challenges including leaving Bacon out of his inner circle, refusing to allow Bacon to be a part of his fur trade with Native Americans, and ...

Once upon a time, I ran out of bacon bits. I know what you're thinking. Bacon bits? Really? Blame it on my thick Midwestern blood, but I've been known to shake them onto mashed potatoes, baked beans, and straight into my mouth. I ain't ashamed. Anyway, out into the city I ventured in search of salty, smoky goodness. When I arrived at the nearest grocery store, I located the placeholder ...

Today I found out where Bacon comes from. Now you might think, as I always did, that Bacon comes from combining two parts awesome with a smidgen of outstanding. But in fact, Bacon, or as my brother calls it "meat candy", obviously comes from our snout nosed little bald friends, pigs, which don't seem remotely awesome.

This Maple Bacon Chili is topped with maple candied bacon for an extra special layer of flavor! It's the perfect meal for a chilly (no-pun intended) Autumn evening! Maple syrup...in chili? Trust me on this one! A couple of weeks ago, Laura and I packed up the car and made the short drive over to Stratton Mountain Resort in southern Vermont. . As I've mentioned before, Robbie isn't a ...

I concur with the cost. I started making our bacon 2 years ago. We love it and give a couple of pound for Christmas gifts. A couple of differences: 1) I soak 2 hours my bacon to reduce some of the saltiness, changing the water every 30 minutes and 2) smoke it at 200-225 in the coolest part of the smoker for 4 hours.

The centerpiece of my kitchen is our wood-burning cook stove. It's a big stove, standing over five feet high and almost three and a half feet wide. It has an oven, a warming oven, a solid copper water reservoir with a tap, and a large cook top surface with six lids. We keep a fire burning in this stove non-stop through all the winter months, and it provides enough heat to keep one entire floor
