Embracing Encaustic Learning To Paint

My work explores the relationship between nature and human biology. With forms as diverse as river stones to internal organs, new combinations are crafted by bringing together traditional and abstract patterns with elemental forms.

Archimedes Gallery: David Rice. The goal of David's work is to create environments that exist beyond the parameters of our physical world. His style blurs the boundaries between what should and shouldn't exist together by bringing subjects into surroundings that they wouldn't normally interact with.
