Facing Love Addiction

In this book, Pia describes in detail the dynamics of a co-addicted relationship, the symptoms of each partner, and the stages of addiction from attraction and fantasy to denial and obsession. She provides a practical recovery process for love addicts and their partners based on Twelve-Step work, exercises, and journaling.

Love addiction is a proposed model of pathological passion-related behavior involving the feeling of being in love. A medical review of related behaviors in animals and humans concluded that current medical evidence does not support an addiction model for maladaptive passion-related behaviors. There has never been a reference to love addiction in the Diagnostic and Statistical Manual of Mental ...
