Guida al CardSharing dalla A alla Z via LAN WAN per card ...

Ecco la nuova idea, che in realtà è nata già da qualche anno, ma che ultimamente si sta diffondendo: si tratta del Cardsharing, in italiano "Condivisione Carta". E' una tecnica che non permette di aprire i canali criptati gratuitamente, ma permette di condividere la scheda di SKY o di qualsiasi altro provider con altre persone.

Condividere SKY con le Card Sharing - LordHackRoss

Beginners guide to successful Cardsharing. Connect the cable from your satellite dish (if you use a satellite dish) to your Dreambox tuner. Connect the network cable to the Dreambox. Connect power cord. To be able to share with another CCcam server or even many servers you need to set up an network.

Beginners guide to CCcam cardsharing (CCcam Tutorial) This is a brief guide which will cover the basics of CCcam cardsharing. It will cover most of the questions new cardsharers will raise.

Beginners guide to CCcam cardsharing (CCcam Tutorial)

Sky finally closing in on Cam Sharing on Satellite (or so it appears) *NO ILLEGAL TALK*. Counter productive for tv companies to go after end-user who just don't understand the nature of what they're getting for bob down the pub even when you spell it out for them, makes sense them targeting the source sellers. Downside is it also cuts out legitimate subscription uses, but these are not vital to tv companies being so small.

Sky finally closing in on Cam Sharing on Satellite (or so ...
