Hospital Services. The 305 bed Stamford Hospital and its 440 affiliated physicians provide patient care in all of the typical medical specialties, including internal medicine, surgery, obstetrics/gynecology, psychiatry, and medical and critical care units.

Stamford Hospital - Wikipedia

Howard Robard Hughes Jr. (December 24, 1905 – April 5, 1976) was an American business magnate, investor, record-setting pilot, engineer, film director, and philanthropist, known during his lifetime as one of the most financially successful individuals in the world. He first became prominent as a film producer, and then as an influential figure in the aviation industry.

Howard Hughes - Wikipedia
