Politics refers to a set of activities associated with the governance of a country, or an area. It involves making decisions that apply to members of a group.. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than general political ...

Politics (Greek: Πολιτικά, Politiká) is a work of political philosophy by Aristotle, a 4th-century BC Greek philosopher.. The end of the Nicomachean Ethics declared that the inquiry into ethics necessarily follows into politics, and the two works are frequently considered to be parts of a larger treatise, or perhaps connected lectures, dealing with the "philosophy of human affairs".

The Romantic era is typically noted for its intense political, social, and cultural upheavals. The period is conventionally marked as beginning with the French Revolution in 1789 and ending with the passing of the Great Reform Bill in 1832, occurrences which exemplify the political zeal of the late eighteenth- and early nineteenth centuries as well as the resultant changes brought about in ...
