Capital and Interest. by Frédéric Bastiat My object in this treatise is to examine into the real nature of the Interest of Capital, for the purpose of proving that it is lawful, and explaining why it should be perpetual. This may appear singular, and yet, I confess, I am more afraid of being too plain than too obscure.

2. The Cabin . Her heart is pounding. She must calm down, get her fear under control! There has to be a way out of this! Byron Madding is obviously insane, but there must be a way to reach him, to make him understand he can't get away with this, that he has to stop before it reaches a point where there's no way out for him.
