National Geographic (formerly the National Geographic Magazine and branded also as NAT GEO) is the official magazine of the National Geographic Society. It has been published continuously since its first issue in 1888, nine months after the Society itself was founded. It primarily contains articles about science, geography, history, and world culture.

MURDERERS, MADMEN AND OUTLAWS feature prominently in Australia's early colonial history. Many were escaped British and Irish convicts who chose to risk starvation and exposure in the harsh Australian bush rather than serve out sentences of hard labour for crimes in their home countries. Others were driven to a life of crime by poverty.
