### **Plain Language For Lawyers**

Plain language is writing designed to ensure the reader understands as quickly, easily, and completely as possible. Plain language strives to be easy to read, understand, and use. It avoids verbose, convoluted language and jargon. In many countries, laws mandate that public agencies use plain language to increase access to programs and services.

### **Plain language - Wikipedia**

Plain English (or layman's terms) is language that is clear and concise. It avoids complex vocabulary. It is free of clichés and needless technical jargon, and should be appropriate to the audience's developmental or educational level and their familiarity with the topic. The term is commonly used when discussing government or business communication.
