Potty Training In 3 Days

POTTY TRAINING? 3 Day Potty Training is a focused program in which you spend 3 consecutive days working to potty train your child. I cannot guarantee that your child will be potty trained at the conclusion of the 3 days, but together we can make a valiant go of it.

Potty Training Boys And Girls In 3 Days

When it came time to potty train my son, I waited for him to tell me when he was ready. And he wasn't ready to take his "pee-peeing" by storm until he turned 3. I trained him using the 3-Day Potty Training Method.

How the 3-Day Potty Training Method Works | Parenting

Before starting toilet training, look for signs your toddler is ready. Beginning too soon can be frustrating for both of you and can make the whole process take longer. If you've started the process, find out how often to ask kids-in-training if they need to go to the bathroom, and whether it's true that girls tend to ditch the diapers sooner than boys.
