Read My Palm

Palm reading is used by many modern pagans and New Age practitioners as a form of divination or personality reading. To read palm lines, start with the major lines of the palm (heart, head, life, and fate) before progressing onto some of the other significant lines, like the marriage or money line, and the minor lines, like the line of escape.

The oil palm tree (*Elaeis guineensis* jacq.) originates from West Africa where it grows in the wild and later was developed into an agricultural crop. It was introduced to Malaysia, then Malaya, by the British in early 1870's as an ornamental plant. In 1917, the first commercial planting took place in Tennamaran Estate in Selangor, laying the foundations for the vast oil palm plantations and ...
