Dominance is a touchy topic. It's positively loaded with cultural baggage - in the West, we're averse to both the idea of being dominant over others and of others being dominant over us. It has all kinds of ill-favored connotations that most would rather just avoid. I'm throwing all of that out today though and talking to you about how to be a dominant man, political

Dominant means to be in control. In a wolf pack, one male wolf fights the others, wins, and is considered the dominant, or alpha male. The other wolves in the pack do what he tells them. Dominant derives from the Latin dominus which means "lord or master.". If you grew up with a Latin mass, you will recognize this as one of many words for God.

I have 5 cats, 3 neutered males and 2 spayed females. Recently, since the temps. plummeted, I lured a stray cat into my home that I had been feeding outside since last spring. Thankful to give him a good loving home and medical attention (whew!), I thought all was well aside from some hissing between the cats. Well, problem is that my 26 lb. male rules the roost and is extremely dominant and ...
