

## *The Rise Of African Slavery In The Americas*

### **The Rise Of African Slavery**

Slavery in Brazil began long before the first Portuguese settlement was established in 1516, as members of one tribe would enslave captured members of another. Later, colonists were heavily dependent on indigenous labor during the initial phases of settlement to maintain the subsistence economy, and natives were often captured by expeditions called bandeiras.

Slavery has historically been widespread in Africa, and still continues today in some countries.. Systems of servitude and slavery were common in parts of Africa, as they were in much of the ancient world. In many African societies where slavery was prevalent, the enslaved people were not treated as chattel slaves and were given certain rights in a system similar to indentured servitude ...
