It was the best of times; it was the worst of times. Depending on the day, and depending on who you ask, this is Ambassador John Bolton's moment of ultimate triumph—or it's the national security advisor's moment of final overreach. Two sources familiar with the matter tell me President Donald Trump's rumbustious National Security Council chief is headed for the exits, having flown too ...

If you ever feel like you’ve “made a huge mistake,” just remember: it’s probably not bigger than the Battle of Karansebes, during which the Austrian army broke into two and ended up mistakenly fighting itself. At least, that’s what supposedly happened. There actually isn’t much direct evidence to suggest that the Battle of Karansebes is anything more than a legend.
